Dear Sir:

I have an old coin, coined in 1797 has a mans bust and the inscription of Carolus · IIII · Dei · Gratia · on one side a crown and coat of arms, and the inscription of Hispan · Et · Ind · Rex · M · 2 R · M on the other side. What kind of a coin is this? is it of any value?

What is the value of a large (1849) U. S. cent?

Yours Truly
